PB303-S/FACT Precision Balance

Accurate, easy-to-use and reliable to provide good weighing for many years – that sums up the Classic Balances from METTLER TOLEDO in a single sentence. The robust full metal housing make these balances your reliable partner for everyday use.

Features and Benefits

- **Accuracy:** Fully automatic internal adjustment (FACT).
- **Brilliant backlit display:** Correct reading of results under any light condition.
- **Robust quality:** Full metal housing.
- **MonoBloc weighing technology:** Including permanent shock and overload protection.
- **Easy operation:** Large, ergonomic touch-sensitive keys

Standard Features:

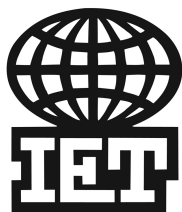

- Protective in-use cover
- RS232 interface
- Hook for weighing below the balance

All models:

- Are available as certified version
- Can be adjusted in a frequently used weighing range with external weights
- Have piece counting, percent weighing and dynamic weighing as standard built-in application programs
- Are able to show weighing results in different units: kg, g, mg, lb, oz, ozt, GN, dwt, mo, m, tl
- Have a calculation with a custom 'free factor'

Specifications - PB303-S/FACT Precision Balance

Maximum Capacity	310 g
Readability	0.001 g
Size of weighing pan	ø 100 mm
Repeatability	0.001 g
Linearity	± 0.002 g
Settling time (typical)	2 s
Adjustment with internal weights	FACT
Adjustment with external weights	200 g
Sensitivity temperature drift	6 ppm/°C
Interfaces	RS232C
Dimensions	245x321x236 mm (WxDxH)
Free height above weighing pan	165 mm
